Easy superhero mask are a fun and eco friendly party activity, just cut out lots of masks and pop on a table with pens, stickers and stamps etc.

What you will need:

- A4 Paper
- Thin Card/Empty Cereal Box
- Pencil
- Ruler
- Paper
- Glue
- Scissors
- Pens/Crayons/Stamps/Stickers
- Wool/String/Ribbon for ties

Hints and Tips

- Easy superhero mask are a great party activity, just cut out lots of masks and pop on a table with pens, stickers and stamps etc.
- Don't buy new! Treasure hunt in preparation... Look out for colourful paper / card that you would otherwise bin, like magazines, packaging & old cards. You'll need some scissors to cut out the bits you like and then recycle the rest!
- You can also use paints but it's a bit messier!
- Why not try making animal masks instead of superhero masks?
- If you don't want to draw your own masks, there are free printables available online.

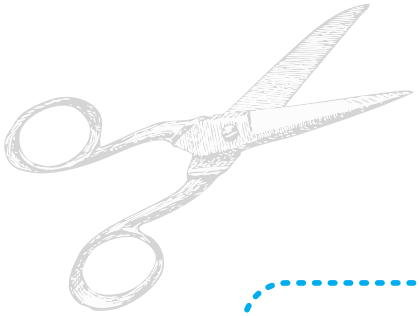
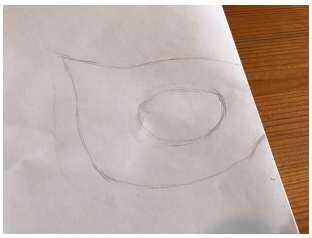
Create your mask....



- Fold the A4 paper in half
- Measure 2cm from the fold
- Draw eye holes starting 2cm in from the edge of the mask. Start smaller if you like, you can always make them bigger!
- Draw the outer shape of the mask, but just draw half as the paper is folded and the design will mirror when you cut it out
- Cut out the mask and the eye holes and unfold. Check that it's a good size and the eye holes are in the correct position - adjust if necessary. This is your stencil!
- Draw around the stencil onto the thin card and cut the shape out
- Decorate however you wish, using pens, crayons, coloured pencils, stickers and other crafty bits... try and use recycled bits or things you have already to make this mote eco-friendly
- Cut two 30cm pieces of ribbon, wool or string for your ties
- Make small holes in the sides of the mask, thread through your ties and secure with a little knot at the back of the mask



Now tie on you mask... and let's save the world!
